

## Even more disturbing auctions....

**Date :** April 15, 2007

Following our ebay theme of disturbing auctions and reflectoporn, this story in the Guardian describes how a Cambridge student was banned from ebay after putting himself up for sale. Ebay countered that his "listing breached eBay's No Item policy and has been removed ... You may not list intangible items or items whose existence cannot be verified, such as ghosts, souls or spirits."...
