

Where statues go to die?

Date : January 22, 2008

Good article about the demise of statues of famous despots by David Cannadine...

http://news.bbc.co.uk/2/hi/uk_news/magazine/7196530.stm

Statues to the mighty are erected as permanent monuments. But those regarded as heroes by one political regime are often denounced as villains by the next, their statues left unloved or toppled and carted off to the wilderness.
