

MOMA accessions the @ sign...

Date : December 16, 2011

MoMA's Department of Architecture and Design has acquired the @ symbol into its collection. It is a momentous, elating acquisition that makes us all proud. But what does it mean, both in conceptual and in practical terms?

MOMA [accessions](#) the @ sign - momentous act of inclusion, twisting our understanding of the museum object, or yet another way to oddly privatize the public domain....
