

## **CFP: (Mis-)Representing Cultures and Objects**

**Date** : January 27, 2014

A workshop titled "(Mis-)Representing Cultures and Objects- Critical Approaches to Museological Collections" is being conducted at the University of Stirling on 16 May 2014.

The workshop will critically examine, from a postcolonial context, the ways in which global cultures and associated materials have been represented in the contexts of museums. For more, please see:
