

Access to Museum Worlds Virtual Issues

Date : April 2, 2014

In celebration of the first ever Museum Week, Berghahn Journals is delighted to offer you free access to two special virtual issues. The first features a collection of articles from eleven of our journals spanning multiple disciplines which deliver scholarly and informed opinion on museum studies. Article topics include: Museums and Education, Museums and Memorials, and Museums and Society. The second virtual issue is a collection of exhibit reviews from our new journal, Museum Worlds: Advances in Research.
