

## Experimenting with the Visual in Art and Anthropology

**Date :** October 18, 2008

9 - 30 October, 2008, Trondheim, Norway

Organizers: Arnd Schneider, University of Oslo & Ruth Woods, NTNU Trondheim, Faculty of Architecture

This seminar and workshop explores the intersection between contemporary art and anthropology, and especially the issue of ethics and collaboration in research and representational practices in both disciplines.

The seminar is accompanied by a workshop for PhD students and an exhibition.
