

## Reflections in the Glass: your Opinion about Antiquities

**Date :** June 23, 2009

Greetings!

I am a New York University Graduate student in the Program of Museum Studies requesting your participation in a unique survey conducted as research for my Master's thesis. The survey should take less than 15 minutes and is completely anonymous. Your participation could affect the understanding of public perceptions of museum collecting practices and the display of antiquities. Are you aware of the issues or hold museums accountable for their acquisition policies? Please take your time to answer each question honestly and thoughtfully. The following link will take you to the survey.

The results will be posted on my NYU web blog (<http://blogs.nyu.edu/blogs/clh365/antiquities/>) or possibly published as an article at a later date.

If you have any questions or would like to know more, please feel free to e-mail

Thank you for your participation!

Sincerely,
